

Workshop on Role of Officers in Management of Institutions of Higher Technical Education

27th November 2010

The Workshop on 'Role of Officers in Management of Institutions of Higher Technical Education' was focused on issues directly concerning officers handling different functions and activities of the Institute. Officers representing the Institute Works Department, Health Centre, Library, Physical Education and the Administration, collectively organized the above day-long Workshop. It was inaugurated by Prof. Sanjay G. Dhande, Director and Prof. R. K. Thareja, Deputy Director, IIT Kanpur.

The highlight of the workshop was the address by Dr. M. N. Buch, a senior IAS Officer and Chairman, Board of Governors, IIIT Gwalior, where he drew largely upon the depth of his vast experience in the Administrative services, both in the state of Madhya Pradesh and at the Centre. He also cited several real life instances involving officers who were required to act under trying circumstances to overcome difficult situations in the management of issues concerning institutions and civic administration. The address was attended by present and former officers of the Institute.

During the afternoon session, former officers of the Institute were felicitated for their significant contributions towards the building and growth of IIT Kanpur. A cultural program was also organized.
